After registering, you will receive a confirmation email containing information for joining the workshop.

About the presenter

Amber holds a BA in English from Old Dominion University, dual MAs in TESOL & Applied Linguistics and Computational Linguistics from Indiana University, as well as a graduate certificate in Instructional Systems Technology from IU's School of Education. As CeLCAR's Language Instruction Specialist, she works with the language specialists to design and develop language learning curriculums and materials, collaborates with faculty on pedagogical research, designs and leads professional development workshops, and coordinates the bi-annual Conference on Central Asian Languages and Linguistics (ConCALL). Additionally, she is the host of the "On the Silkroad with CeLCAR" podcast and the author of

Designing Effective Language Learning Materials for Less Commonly Taught Languages currently in publication through Georgetown University press.
