Excellence

Formative assessment is a process

- Scaffolds students' learning
- Helps students set learning goals
- Supports self-regulated learning
- Increases self-awareness of students' strengths and weaknesses
- Helps to diagnose needs and interests
- Allows to collect data to improve instruction

(Bulter & Lee, 2010; Hattie & Timperley, 2007; Lam, 2015; Xiao & Yang, 2019).

Traditional and alternative assessments

Traditional form

- Multiple choice
- True-false
- Matching

Alternative options
